

Albuquerque Reads

*A partnership between Albuquerque Public Schools
and the Greater Albuquerque Chamber of Commerce.*

Albuquerque Reads is a brand new literacy program designed to help tutor kindergarteners in order to get a jump start on their literacy skills. Employees from companies throughout Albuquerque are being asked to devote one hour, once a week, during the school year to tutor two students. Time will be spent working with each student on reading, writing, and an activity that will correspond to what the children are currently learning in their classroom.
